

# Publications & Conferences

**E. Malfa, P. Nyssen, E. Filippini, B. Dettmer, I. Unamuno, A. Gustafsson, E. Sandberg, B. Kleimt**

**Cost and Energy Effective Management of EAF with Flexible Charge Material Mix**  
Proceedings of the 10th European Electric Steelmaking Conference, 25-28 September 2012, Graz

**G. Walmag, S. Flament, J. Malbrancke, G. Moreas, M. Sinnaeve**

**Development of New Materials Based on On-Site and Laboratory Evaluation Methods for Understanding Work Roll Surface Degradation**  
Iron & Steel Technology (A Publication of the Association for Iron & Steel Technology), November 2012, vol 9, N°11, p 77-86

**J.P. Collette, P. Rochus, R. Peyrou-Lauga, O. Pin, N. Nutal, J. Crahay**

**Prototyping of a Phase Change Material Heat Storage Device**  
Proceedings of the 63rd International Astronautical Congress 1-5 Octobre 2012

**A. Mertens, Q. Contrepois, T. Dormal, V. Tusset et al**

**Ti alloys processed by selective laser melting and by laser cladding: microstructures and mechanical properties**  
Proceedings of 12th European Conference on Spacecraft structures, Materials & Environmental Testing, 20-23 mars 2012, Noordwijk

**Jean-Pierre Birat, Jean Borlée, Hervé Lavaine, Dominique Sert, Patrick Négro, Koen Meijer, Jan van der Stel, Peter Sikstrom**

**ULCOS Program: an update in 2012**  
4th International Conference on Process Development in Iron and Steelmaking, 10-13 June 2012, Luleå

**J. van der Stel, G. Louwerse, D. Sert, J. Borlée, A. Hirsch, R. Lin, A. Feiterne, N. Ecklund, M. Pettersson, L. Sundqvist, J. Lovgren, M. Zagaria, C. Feilmayr, M. Grant, O. Ansseau, M. Sihvonen, J. P. Simoes, J. Adam, W. Küttner, R. Schott, A. Babich, S. Born**  
**Low CO<sub>2</sub> Ironmaking by Top Gas Recycle Blast Furnace, the ULCOS developments in Europe**

**Scrap Supplements & Alternative Ironmaking VI conference, 28-30 October 2012, Baltimore**

**Jean-Pierre Birat, Jean Borlée, Anne-Laure Hettinger, François Saunier**  
**Clean Steels in Europe**  
Plenary Lecture of 8th International Conference on Clean Steel, 14-16 May 2012, Budapest

**M. Dormann**

**Potentiel de valorisation d'un déchet en filière métallurgique**  
Journée Innov'aktion Déchets, 31 mai 2012, Gembloux

**B. Vanderheyden**

**SPIRE: Sustainable Process Industry through Resource and Energy Efficiency - opportunities for Wallonia-Brussels and possible synergies with Sweden**  
International Seminar on Sustainable and Resource Efficient Materials – A raw materials and recycling perspective, 17-18 December 2012, Uppsala

**G. Walmag, S. Flament, J. Malbrancke, G. Moreas, M. Sinnaeve**

**Development of new materials based on site and laboratory evaluation methods for understanding work roll surface degradation**  
AISTech 2012, 7-10 May 2012, Atlanta

**V. Tusset**

**Advance in analytical techniques for liquid steel process and metallic surface characterization**  
RATEC2012 «Recent advance in analytical techniques for steelmaking industry», 28-30 November 2012, Tokyo

**V. Tusset**

**Future of control in metal industry**  
11th ICASI (International Committee of Analysis for Steel and Iron Industry) General Meeting, 31 October 2012, Beijing

**V. Tusset**

**Future of the online control of molten metal**  
CCATM 2012 (International Conference & Exhibition on Analysis & Testing of Metallurgical Process & Materials), 1-3 November 2012, Beijing

**F. Berger**

**Elaboration de couches d'oxydes métalliques en vue de la protection contre la corrosion des bandes d'acier laminées à froid**  
3<sup>eme</sup> Journée Scientifique du Portefeuille Revêtements Fonctionnels, 13 décembre 2012, Mons

**G. Moreas, G. Monfort, P. Albart, A. Leroy, C. Mathy, O. Lemaire, S. Flament, J.P. Fischbach**

**Industrial Instrumentation 2012, 10-11 October 2012, Liège**

**G. Moreas, G. Monfort**

**Needs and constraints for wireless sensors in the steel industry**  
10th work meeting of the Wireless Community, 31 May 2012, Leuven

**J.C. Herman**

**CRM Group towards an excellence centre turning innovation into value creation**  
GRD "CRM Group, a multi-competence R&D organization in metallic materials supporting multi-sectorial needs", 5 December 2012, Liège

**P. Harlet**

**Development of high-added value products through application of advanced coating technologies**  
GRD "CRM Group, a multi-competence R&D organization in metallic materials supporting multi-sectorial needs", 5 December 2012, Liège

**C. Marique**

**Valorizing the competence for the benefits of industrial members and favouring the synergy between different industrial sectors**  
GRD "CRM Group, a multi-competence R&D organization in metallic materials supporting multi-sectorial needs", 5 December 2012, Liège

**J. Neutjens**

**Business development approach in CRM Group**  
GRD "CRM Group, a multi-competence R&D organization in metallic materials supporting multi-sectorial needs", 5 December 2012, Liège
